CONSIGNMENT INFORMATION

1. You may consign any number of items in one day. Check your items before bringing them in for any spots or holes, missing or broken pieces. All clothing items should be in style and current season.
2. All consignors will be setup with an individual account. After an account is set up, you can drop off items anytime.
3. You will receive 50% of the consigned price of your items.
4. Your items are kept for 60 days and marked down 20% every 20 days. Any items picked up prior to the first 20 day markdown period are subject to a 10% restocking fee. Any unsold items not picked up within three days after the 60 day period will become the property of Trader Tots. If you would like to pick up any items that have not sold, please call us a few days ahead of time so that we may have them ready for you.

5. Lost or missing items will be paid at 50% of their last markdown price 60 days after their expiration date.
6. You can pick up the balance on your account or use the money to purchase other items in the store. We will mail you a check when your 60 days is up if you bring us a self addressed stamped envelope with your consignments.
7. Please do not be offended if we do not accept all of your items. Our experience has shown us what will and what will not sell.
8. Trader Tots is not responsible for theft or damage of any consignment items.
9. Although we try to be careful when inspecting your items before accepting them, occasionally defective items are missed. We therefore reserve the right to remove any defective items from our stock and donate them to charity.
